United Health Centers Announces Opening of New Health Center at First and Gettysburg

Fresno, CA – November 15, 2024 — United Health Centers (UHC) is proud to announce the opening of its newest health center at 4615 N. First St., Fresno, CA, at the corner of First and Gettysburg. This expansion marks a significant step in increasing access to quality healthcare for the underserved communities of ZIP codes 93726 and 93710, home to over 75,000 residents. The state-of-the-art, 12,383-square-foot facility offers a wide range of essential health services, reinforcing UHC's commitment to providing accessible and comprehensive care.

“As the demand for healthcare continues to rise, it is vital for us to expand our reach and meet the needs of the communities we serve,” said Justin Preas, President and CEO of United Health Centers. “This new center will play a critical role in delivering accessible, high-quality healthcare to Fresno, ensuring everyone can receive the care they deserve.”

Services Available at the New Facility

The new health center offers a wide range of comprehensive services, including:

- Medical Services
- Dental Care

Additional Services Coming Soon:

- Optometry
- Behavioral Health
- Chiropractic Care
- X-ray Services

The facility includes 12 medical exam rooms, 10 dental chairs, 3 optometry stations, a behavioral health room, and 2 chiropractic rooms. Making it a hub for essential services as UHC's 32nd location serving the Fresno community.
