Shotgun Start | 10am

Proceeds to benefit patient care at United Health Centers

United Health Centers Foundation **GOLF TOURNAMENT**

Our Mission

Our annual golf tournament has generated tens of thousands of dollars to advance the Foundation's mission. Most recently, proceeds from prior golf events allowed the Foundation to endow the Dr. Robert Allen Shankerman Memorial Scholarship at Fresno State University to support the next generation of leading physicians. The first recipients are slated to receive a donor-funded scholarship this fall. **If you are a returning sponsor, vendor, or player – thank you for enabling this remarkable accomplishment!** Nearly one million patients turned to United Health Centers for care last year, and this number will grow exponentially year-over-year. As United's care centers fill with families, so does the need for compassionate clinical partners to care for them in a healing and supportive environment. Foundation partners like you will help make this possible. This year, proceeds of our ninth annual charity golf tournament will advance patient care at United Health Centers.

Whether you sponsor to play, or sponsor to support, we invite you to spend a gorgeous day on the green to make the Valley a healthier place to call home.

For more information, to reserve your table, or to sponsor, please contact:
